

Issuance of Fuel venting and Engine Emissions Certificates

The SACAA is a signatory of the International Civil Aviation Organization (ICAO) Convention. As such, the SACAA is responsible for showing compliance to amendments to the convention. Consequently, you are hereby informed of recent ICAO amended Annex 8 - Airworthiness of Aircraft, concerning the issuance of Part 34 certificates went through amendments with consequent outcome summarized below:

As of the 30 July 2013, the SACAA shall not be issuing Part 34 certificate (Fuel Venting and Engine Emissions).

This is in line with the First, Second, Third and Fourth Amendments of the Civil Aviation Regulations, 2011, which have been promulgated by publication in the Government Gazette No. 36712 dated 30 July 2013
