OPERATIONS MANUAL DISTRIBUTION PROCEDURES AND DEVIATION STATEMENT

DISTRIBUTION PROCEDURE

This Operations Manual defines the AVIATION SECURITY SCREENING ORGANISATION policies and procedures. These will be complied with at all times. The distribution of this document will be controlled and given to those entities listed below. No amendment of the manual of procedures will be completed without prior approval from the (DESIGNATED OFFICIAL) permission and necessary amendment procedures as laid out in the Part 110 Civil Regulations have been complied with.

The Operations Manual will be a controlled document that is distributed to the following entities:
- South African Civil Aviation Authority
- Responsible Person AVIATION SECURITY SCREENING ORGANISATION

No other copies of the manual of procedures will be distributed unless otherwise amended above.

DEVIATION STATEMENT

No part of this Operations Manual may be deviated from without prior approval from the SACAA. Deviations from this Operations Manual will only be considered once written permission has been sent to the approval authority for review. Following written approval from the South African Civil Aviation Authority shall the deviation occur.................
CHAPTER 1: COMPLIANCE STATEMENT
Reference [SA-CATS-110.03.1 (2)]

SACAA AVIATION SECURITY SCREENING ORGANISATION undertakes and commits to follow and operate in accordance to the requirements stipulated in CAR Part 110 and SA-CATS-110. This document outlines the framework of how this AVIATION SECURITY SCREENING ORGANISATION, employees and management will undertake to ensure compliance with CAR Part 110 and SA-CATS-110. AVIATION SECURITY SCREENING ORGANISATION will ensure that at all times the highest possible level of screening is completed at all bases of operation, by qualified and certified personnel, utilizing approved, operable equipment whilst ensuring that all quality standards and compliance are met.

Signed by DESIGNATED OFFICAL: ___________________________ Date: ___________________________

- A physical address is to be provided for each location
- Summary description of screening duties completed at each place of operation is to be included.

Example:

**Johannesburg**

**OR Tambo International Airport**
**Kempton Park**
**Screening Duties: Passenger Screening, Egress Screening, and Hold Baggage Screening**

**Cape Town**

**Cape Town International Airport**
**Screening Duties: Cargo Screening and Hold Baggage Screening**
CHAPTER 3: OPERATIONAL PROCEDURES AND RESOURCE UTILISATION
Reference [SA-CATS-110.03.1 (4)]

A – OPERATION PROCEDURES [SA-CATS-110.03.1 (4) (a)]

List of all standard operating procedures for each screening activity completed by the Screening Organisation

B – SUPERVISION OF SCREENING ACTIVITIES [SA-CATS-110.03.1 (4) (b)]

Description of how screening activities will be supervised and monitored to ensure compliance with the requirements

C – SCREENING METHODS [SA-CATS-110.03.1 (4) (c)]

Description of the screening methods to be utilized at the screening points. EG: 2D X-Ray, ETD, etc

D – PROCEDURES [SA-CATS-110.03.1 (4) (d)]

- Description of procedures to monitor screening operations
- Description regarding the frequency and manner of how operations will be monitored
- Description of procedures regarding reporting of an incident / security breach to SACAA within 48 hours
- Description of who is responsible to report the above

E – RESOURCE ALLOCATION

- Description of the resources available at each base of operation.
- Describe the resources utilized during normal screening activities and during heightened screening activities.

F – SCREENING AND SEARCH PROCEDURES

- Description of screening and searching procedures at each screening point.
- If operating at different screening points, ie: Cargo and Passenger screening, then individual descriptions are to be given for each screening activity.
CHAPTER 4: RECORD KEEPING
Reference [SA-CATS-110.03.1 (5)]

Description of how records required in SA-CATS-110.01.4 are maintained, safeguarded and stored.

Details of how personnel records are to be maintained. It must be detailed if a centralized or decentralized method will be utilized. If decentralized, where will the records be kept at each base of operations and how will they be stored.
CHAPTER 5: TRAINING
Reference [SA-CATS-110.03.1 (6)]

Description of:

- The training each AVSEC Manager, Supervisor and Screener will attend in accordance with CAR 109 and SA-CATS-109
- Frequency that training will be completed
- Measures in place to ensure training is completed on time
- Process for ensuring that all staff maintains currency
CHAPTER 6: RECRUITMENT AND SELECTION
Reference [SA-CATS-110.03.1 (7)]

A – RECRUITMENT PROCEDURES

Description of the procedures to be followed during recruitment in compliance with Part 110 requirements

B – REPORTING PROCEDURES

- Details of how the Director shall be informed when one of their employees holding an approval by the director leaves the organization
