### CARD LICENCE – PHASE 3

We are excited to announce the rollout of Phase 4 of the card licence project, which includes the Aircraft Maintenance Engineer's Licence (AME) and Air Traffic Control Licence (ANS). This phase will be implemented from 10 January 2022.

#### PLEASE NOTE THE FOLLOWING:

- A card license will be issued upon submission of the application documentation for either a new license or the renewal of the competency of a license. The documentation must be accompanied by a recent passport photo (35 x 45mm), preferably in colour. In the case of a digital submission, the passport photo shall be of a high resolution.
- The card portal is now operational and license holders can download information from the portal. Information on how to use the portal and download information is available on the SACAA website.
- Validity of renewal of Hot Air Balloon (BPL) will be for a period of 2 years, subject to submission of renewal documents. The annual currency fee that was paid for 1 year, will now be payable for 2 years (i.e., annual currency fee X 2).

The card licence project will be rolled out in the following five (5) phases:
