## **NOTICE TO THE AVIATION INDUSTRY**

---

Dear Valued Clients

This notice serves to inform you that the production and distribution of Aeronautical Information CD's will be discontinued with effect from 10 March 2011.

The last CD to be distributed will contain Aeronautical Information Publication Supplements (AIP SUP) dated 7 April 2011 and Aeronautical Information Circulars (AIC) dated 10 March 2011.

Although a notice was distributed earlier advising that a CD will be distributed quarterly, this decision has been reviewed and found to be of no significant value to the users.

In future the AIC, AIP SUP and checklists of publications will only be available from the CAA web-site under the drop down menu "Aeronautical Information". A notification, indicating that new information is available, will be posted on the home page of the web site and clients are requested to visit the web-site on a frequent basis.

The publication dates of AIC, AIP SUP and checklists are 07 April 2011, 05 May 2011, 02 June 2011, 30 June 2011, 28 July 2011, 25 August 2011, 22 September 2011, 20 October 2011 and 17 November 2011.

A handwritten signature in black ink, appearing to read "Z G Thwala". The signature is written in a cursive, somewhat stylized font.
