Special Processes	Page 10		
Exemption and deviation Authority	Page 11		
Satellite Facilities & Line station Ratings	Page 12		
a	These specific operating provisions are issued as part of this Approved Maintenance Organisation Certificate, and are in effect as of the Effective Date.		
b	The signatures below indicates acceptance of these provisions by the AMO, and confirmation to abide and comply with the limitations imposed by them. The Commissioner of Civil Aviation of South Africa reserves the right to amend, revoke and alter these Specification at any given time should circumstances warrant such.		
I hereby accept the conditions and limitations set forth in this approval as stated and contained in this paragraph.			
<b>SIGNATURE OF AMO REPRESENTATIVE</b>		<b>NAME IN BLOCK LETTERS</b>	
<b>JOB TITLE</b>		<b>DATE</b>	

PART B	Definitions and Abbreviations
Unless otherwise defined in these operation specifications provisions, all words, phrases, definitions, and abbreviations have identical meanings to those used in the South African Civil Aviation Regulations and South African Civil Aviation Act, as amended. Additionally, the definitions listed below are applicable to operations conducted in accordance with these operations specifications provisions.	
AMO	Aircraft Maintenance Organisation
CAA	Civil Aviation Authority
CAR	Civil Aviation Regulations
MOP	Manual of Procedure
<b>Certificate Holder</b>	In these operation specifications provisions the term “certificate holder” shall mean the holder of an aircraft maintenance organisation certificate, issued in terms of Part 145 of the South African Civil Aviation Regulations of 1997 as amended.
<b>Rating</b>	Means an authorization entered on or associated with an AMO approval and forming part of such approval, stating special conditions, privileges or limitations relating to such approval. Privileges are defined in CAR 145.
<b>Maintenance</b>	Means all work done in accordance with manufacturers’ recommendations and approved maintenance schedules and include inspection, adjustment, replacement, rectification, repair, modification, overhaul, manufacturing and testing.
<b>Category</b>	Classification of aircraft maintenance activities into airframe maintenance (Cat ‘A), Airframe components, equipment and accessories maintenance (Cat ‘B’), engines onwing maintenance (Cat. ‘C’), engine/components overhaul (Cat ‘D’), Maintenance on rotorcraft and their engines (Cat ‘E’), aircraft avionic installations (Cat ‘W’ class 1, 2 & 3), avionic equipment overhaul (Cat. ‘X’, class 1, 2 & 3), propeller (class X4), and welding processes (class X5).
<b>Deviation Authority</b>	An authorisation that permits an alternate means of compliance with CAR. The deviation authority must meet the procedural requirements of SACAR Part 11.
<b>Limitation</b>	A restriction imposed on the corresponding rating based on the AMO capability.
<b>Capability List</b>	A document compiled by the AMO and approved by the SACAA, which details a comprehensive list of all the components/equipment that the AMO is capable of maintaining. <i>Note: This list is mandatory for category ‘B’, ‘D’ and ‘X’, unless such list of components and repair limitations can be accommodated in the space provided.</i>
<b>Special processes</b>	A set of interrelated or interacting activities which transforms inputs into outputs. Examples are: NDT, Electro Plating, Plasma Spraying, etc.
<b>Satellite Facility</b>	means any facility used for the performance of maintenance under part 145 approval but is located at another location than the principal place of business (main base) but is an integral part of the organization
<b>Line Station</b>	For the purpose of this document, means any maintenance facility that is utilized to perform any action that is mandatory, or is required to be performed on an aircraft for the purposes of a turn around, or a route check, or a transit check and is limited to defects rectification repairable by replacement of line replaceable units.
<b>Group</b>	Means classes of aircraft, engines and items of equipment as defined in SA-CATS-AMO 145.01.7.

<b>PART L</b>	<b>SATELLITE FACILITIES &amp; LINE STATION RATINGS</b>
